

Item #: _____

Density Column

Name: _____

Draw your predicted order and final order in the corresponding columns below.

Observations/Characteristics of each liquid	My group's predicted order	Final Order
1)	(least dense—TOP)	(least dense—TOP)
2)	_____	_____ =
3)	_____	_____ =
4)	_____	_____ =
MY predicted order (least dense—TOP) _____ _____ _____ _____ (most dense—Bottom)	_____ (most dense—Bottom)	_____ = (most dense—Bottom)

Answer the Reflect Questions pg 81 #1-4 below. (pg 82 #5-#6—we will do as a class but will also record on here!)
